OMB Approval Number: 2528-0320.

Type of Request: Revision of a currently approved collection.

Form Number: HUD-52695; HUD-52697.

Description of the need for the information and proposed use: Section 2835(d) of the Housing and Economic Recovery Act, or HERA, (Public Law 110-289, approved July 30, 2008) amends Title I of the U.S. Housing Act of 1937 (42 U.S.C. 1437 et seq.) (1937 Act) to add a new section 36 (codified as 42 U.S.C. 1437z-8) that requires each state agency administering tax credits under section 42 of the Internal Revenue Code of 1986 (low-income housing tax credits or LIHTC) to furnish HUD, not less than annually, information concerning the race, ethnicity, family composition, age, income, use of rental assistance under section 8(o) of the U.S. Housing Act of 1937 or other similar assistance, disability status, and monthly rental payments of households residing in each property receiving such credits through such agency. New section 36 requires HUD to establish standards and definitions for the information to be collected by state agencies and to provide states with technical assistance in establishing systems to compile and submit such information and, in coordination with other federal agencies administering housing programs, establish procedures to minimize duplicative reporting requirements for properties assisted under multiple housing programs.
